

Narrowband UVB Photo Therapy

now available to your patients at

C.W. Wiebe Medical Centre

385 Main Street - Winkler, MB

Narrowband UVB Therapy is an effective treatment for many skin conditions including:

• **Psoriasis** • **Vitiligo** • **Atopic Dermatitis** • **Alopecia** • **Pruritus and more**

To arrange an assessment for treatment **send a referral to:**

Dr. Marni Wiseman at SKiNWISE DERMATOLOGY

Address: 1170 Taylor Ave #6, Winnipeg, MB R3M 3Z4;
Phone: 204-943-4922; Fax: 204-942-0789

Your referral should clearly indicate '**For UVB Treatment in WINKLER**' and your patient will receive an expedited consult (usually within 2 weeks). **See attached sample.**

If UVB treatment is right for your patient, the prescription will be sent directly to the C.W. Wiebe Medical Centre who will then contact your patient. The UVB treatment is covered by Manitoba Health, there is no cost to the patient.

Patients will be informed that treatments are available on a walk in basis anytime between the hours of 9 am - 7 pm Monday to Friday and 8 am - 11:30 am on Saturday. **No appointment is necessary.**
